Sustainability Policy

Le Passage to India Tours and Travels Private Limited

Date of Approval: 13/03/2026

Le Passage to India Tours and Travels Private Limited (LPTI) is committed to conducting its tourism operations in a responsible, ethical, and sustainable manner. We aim to minimize environmental impact, respect cultural heritage, support local communities, and uphold the highest standards of business integrity across all our operations.

Our Commitments

Environmental Responsibility

- Reduce energy, water, and paper consumption in our offices.
- Minimize waste and single-use plastics.
- Encourage environmentally responsible transport and accommodation partners.
- Educate tourists on responsible waste disposal practices.

Responsible Tourism Products

- Avoid tourism activities that harm wildlife, ecosystems, or local communities.
- Promote ethical wildlife experiences and cultural sensitivity.
- Inform travelers about responsible behavior before and during travel.

Human Rights & Fair Labor

- Zero tolerance for child labor, forced labor, discrimination, or exploitation.
- Equal opportunity employment and safe working conditions.
- Respect for internationally recognized human rights principles.

Community & Local Economy

- Prioritize locally owned suppliers and service providers.
- Support small and medium enterprises.
- Promote authentic cultural experiences that benefit host communities.

Child Protection

We maintain a strict zero-tolerance policy toward all forms of child exploitation in tourism and require the same from our partners.

Ethical Business Practices

- Prohibit corruption and bribery.
- Ensure transparency and compliance with applicable laws.
- Integrate sustainability criteria into supplier selection and contracting.

Implementation & Continuous Improvement

LPTI has appointed sustainability coordinator to oversee sustainability implementation, monitor performance, and review objectives annually. We are committed to continuous improvement and transparent communication with stakeholders.
